Dan Robinson has been worried all week. Last Tuesday he received a letter from the local police. In the letter he was asked to call at the station. Dan wondered why he was wanted by the police, but he went to the station yesterday and now he is not worried anymore. At the station, he was told by a smiling policeman that his bicycle had been found five days ago. The policeman told him the bicycle was picked up in a small village four hundred miles away. It is now _____ by train. Dan was most surprised when he heard the news. He was amused too, because he never expected the bicycle to be found. It was stolen _____!
